PRODUCT INFORMATION

COAST DEEP WELL PUMP OIL

Coast Deep Well Pump Oils are manufactured from paraffin base stocks and include rust and oxidation inhibitors and an anti-foamant. This oil is recommended for all types of Deep Well Pump Systems where a food grade product is not required. This product provides good oxidation life as measured in the ASTM D-943 oxidation test.

TYPICAL TEST DATA

ISO VG	32
APPEARANCE	LIGHT PALE
GRAVITY API	30.6
FLASH COC, °F(°C)	370
POUR PT, °C	-15
TBN	
VISCOSITY CST AT 40C	32
CST AT 100C	5.3
SUS AT 100F	159
SUS AT 210F	43
VISCOSITY INDEX	92

APPLICATIONS: A Deep Well Pump Oil may also be used as a general shop lubricant.
